

## **NRC's befriending scheme:**

Some thoughts from our service users:

"I'm not feeling that I'm alone any more. I have somebody who I can trust and talk to."

"I received more than I expected. Finally now I have a family."

Some thoughts from our volunteers:

"They have a problem. I help sort it out or I get in touch with somebody who can. There's plenty of scope here for helping asylum seekers and refugees."

"There are no dull moments. There is no lack of things to do. You make friends..."
